The School Board has approved the following business policies for Northwood Academy's Lower and Upper School:

ENROLLMENT FEE. This **non-refundable** fee is paid to finalize enrollment.

TECHNOLOGY FEE. This **non-refundable** fee is paid before the 1st day of school.

TUITION. Tuition payment plans are offered through FACTS. Tuition is due on the 20th of each month. A grace period, through the last day of the month, may be requested.

TUITION PLUS. Lower School students may choose a convenient weekly or monthly payment plan option which combines school day tuition and unlimited extended care (before and after school) on school days.

LATE FEES, ETC. Declined FACTS payments and past due balances are subject to a 10% late fee assessment. Students with a past due balance will not be admitted to class. A student will be dismissed from Northwood Academy after 10 days of financial suspension. Payments will be applied to past due charges first. Student accounts are to be paid current prior to admission, after the semester / Christmas break, and before participation in year-end events (e.g., graduation).

An **AFTER-HOURS FEE** will be charged for child-care service provided beyond the scheduled hours at a rate of \$1 per minute.

SPECIAL PAYMENT ARRANGEMENTS. Circumstances arise which occasionally require an adjustment from the normal payment policies. For consideration, email the Business Office (accounts@northwoodacademy.com) with a brief description of these circumstances. Staff will forward the request, along with payment history and a proposed solution, to the School Board for approval.

FINANCIAL ASSISTANCE. Limited financial assistance is available to families of enrolled K-12 students who meet income guidelines established annually by the School Board. Eligibility is limited to enrolled students who are in good standing academically (eligible for promotion), behaviorally (no disciplinary suspensions), and financially.

FAMILY DISCOUNT. For families with 3 or more enrolled (Nursery–12th grade) children, a 25% K-12 tuition discount is available to the 3rd (and any additional) enrolled K-12 student. The discount will be applied beginning with the lowest K-12 grade level.
