NORTHWOOD ACADEMY STATEMENT OF FAITH

These tenets of the Church define the Biblical perspective which informs a Northwood Academy education:

We believe in God, the Father Almighty, maker of heaven and earth, who loved us and gave His eternal Son that we might have everlasting life.

We believe in Jesus Christ, His only Son, who was conceived by the Holy Spirit, born of a virgin, was crucified for our sins, buried and was resurrected from the dead. We believe He ascended into heaven and sits on the right hand of God and that He will judge each of us at the final Judgment.

We believe the Bible to be the only inspired, infallible Word of God and the sole and final source of all that we believe.

We believe the Bible speaks with final authority concerning truth, morality, and the proper conduct of mankind.

We believe man's only hope of redemption is through the death, burial and resurrection of Jesus Christ, God's Son.

We believe in the Holy Spirit, that He indwells every believer. That He gives gifts to believers and enables us to live a victorious life.

We believe there is one church comprised of all born again believers. That the church is the body of Christ, equipped to do the work of Christ on earth.

We believe in the resurrection of the dead, in a literal heaven and hell. We believe that man is an eternal being who will exist forever. Where we spend eternity is determined by our living faith in Christ.

NORTHWOOD ACADEMY STATEMENT ON MARRIAGE, GENDER, AND SEXUALITY

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God.

We believe that the term “marriage” has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture. We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other. We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman.

We believe that any form of sexual immorality is sinful and offensive to God.

We believe that every person must be afforded compassion, love, kindness, respect, and dignity. Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture.

The Northwood Academy Statement of Faith and the Statement on Marriage, Gender, and Sexuality do not exhaust the extent of our beliefs. For purposes of Northwood Academy's faith, doctrine, practice, policy, and discipline, our School Board of Directors is the school's final interpretive authority on the Bible's meaning and application.

VISION

It is our vision to be a college preparatory Christian school: *college preparatory* in that the curricular and extra-curricular opportunities will educate the student to succeed in the college of their choice, and *Christian* in that our teachers, administrators and staff will equip the student from a Christian perspective (in contrast to the morally equivalent, humanistic and naturalistic values prevalent in contemporary education) to live a victorious life.

Our vision will be evidenced in graduates who can reason from a Biblical perspective, who can apply Biblical principles to decision-making, and who can develop, model and promote behavior that reveals the character of Christ. With these competencies, our graduates will be able to compete in any academic arena without compromising their core Christian values.

PHILOSOPHY OF EDUCATION

Northwood Academy is a place where the combining of academic knowledge and Christian values produce maturing spiritual, intellectual, and social behavior. Our philosophy of education is based on the following principles:

God reveals truth through Scripture, nature, history, and through *Christ in whom are hidden all the treasures of wisdom and knowledge* (Col 2:3).

As His people, created in His image, we are moral, social, physical, and rational. We are, therefore, able to know and to value God, ourselves, others, and the physical universe.

Education, the process of teaching and learning, involves the whole person developing the knowledge, values and skills which facilitate freedom to live a faith-based life. It occurs most effectively when both instructor and student are properly related to God and each other through Christ.

THE HISTORY OF NORTHWOOD ACADEMY

Northwood Academy serves over 1,000 students from 12 weeks old through 12th grade. Students come from across the Charleston area and from a variety of Christian denominations. The school was founded in 1978 as Northwood Christian School with 80 students. As a ministry of the church, the school was built on the North Charleston campus of Northwood Church, known formerly as Northwood Assembly.

To accommodate the continued growth, a cafeteria, gymnasium, and additional classrooms were added to the North Charleston campus in 1980. To further enhance the school program, a two-story education building was completed in 1985.

In 1995, under the name of Northwood Academy, an Upper School campus was completed on Otranto Road in North Charleston. In May 2000, both campuses officially adopted the name of Northwood Academy.

In 2014, the schools began relocating to our present location at Carnes Crossroads in Summerville with the construction of a lighted sports stadium. The Upper School opened in August 2016, followed by the completion of the athletic complex, including lighted softball and baseball fields, in early 2017. The Pre-school and the Lower School moved to Carnes in the summer of 2017.

South Carolina Uniform Grading Scale (SCUGP) – 2016-17 & After

South Carolina transitioned to a 10-point Grade Scale beginning 2016-17. The uniform grading scale and the system for calculating grade point averages (GPAs) and class rank is used by all South Carolina high schools, including Northwood Academy. Reference: S.C. All grades are reported numerically. Letter grades of students transferring to Northwood will be converted to numerical grades based on the scale of the previous school. If no numerical scale is available, the South Carolina Uniform Grading Policy will be used regarding converting grades on transcripts.

South Carolina transitioned to a 10-point Grade Scale beginning 2016-17.

ADVANCED PLACEMENT® (AP®) COURSES

These are courses designed by the College Board to utilize a standard curriculum across all schools offering these courses. Students desiring AP® designation must take the College Board Advanced Placement® exam. Additional class meetings may be required to fulfill requirements. Students that score high enough on the Advanced Placement® examination may be granted college credit by the college or university they attend.

Students who choose not to take the AP® exam will receive Honors designation for the course.

The fee for each AP® exam is determined by the College Board.

Seniors taking the AP® Exam are exempt from the semester 2 final exam. Underclassmen will be required to take a regular final exam.

AP CAPSTONE® DIPLOMA

AP Capstone® is the College Board's new diploma program. AP Capstone® includes two foundation courses—AP® Seminar and AP® Research—to enhance four subject-specific AP® courses (in any subject) for a total of six AP® courses. The AP Capstone® Program is a nonsubject program whose goal is to equip students with independent research, collaborative teamwork, and communication skills necessary for college and beyond. Our AP Capstone Diploma™ is anchored with the following Advanced Placement courses. Students will be required to take the following three AP courses: AP Seminar™ (substitutes for English 10 H), AP Research™ (11th or 12th), and AP® English Literature (12th grade).

NUMERIC AVERAGE

Student grades are reported numerically at the end of each quarter. Courses are not weighted when reporting numeric averages. For quarterly Honor Roll and for recognition at the Spring Academic Ceremony, student's numeric grades for 1st, 2nd, and 3rd quarter are calculated. All courses are used in computing the numeric average except for Teacher's Aide, Driver's Education, and PE/Exploratory.

REPORT CARD CALCULATIONS

Report cards are calculated each nine weeks and are reported numerically.

High School Courses for Credit – Quarter Grade (45%) + Quarter Grade (45%) + Semester Exam (10%) = Semester Grade; First Semester Grade (50%) + Second Semester Grade (50%) = Final Grade

Lower and Middle School – Quarter Grade (50%) + Quarter Grade (50%) = Semester Grade

First Semester Grade (50%) + Second Semester Grade (50%) = Final Grade

GRADE POINT AVERAGE

The South Carolina Uniform Grading Policy is used to calculate a student's Grade Point Average. Grade Point Average (GPA) is calculated each year 9th through 12th grade. Class rank is available at the end of each school year. Any course attempted for more than four weeks may appear on a student's transcript with the grade earned at the time of withdrawal.* If a student retakes the exact same course, both courses will appear on the student's transcript and be used in Northwood Academy's grade point average calculations, however, credit can only be earned once for a course the student passes. The higher grade will be included in final GPA. All High School courses are used in the Grade Point Average calculations except Teacher's Aide and Driver's Education.

GRADUATION REQUIREMENTS

Northwood Academy meets the South Carolina Commission on Higher Education (SCCHE) suggested college admission requirements and the South Carolina Department of Education's requirements for high school graduation. By following these suggested requirements by the SCCHE, a student will meet the minimum college entrance requirements at most universities. *Students are to check the college catalog of the schools they are interested in attending to determine additional requirements.*

COLLEGE APPLICATIONS

If requested, the guidance office will mail the student's official transcript. Colleges require that entrance testing scores be sent directly from the testing agency (SAT, ACT). Students must provide the application fee, completed application, and allow the guidance office two weeks to compile all information for mailing.

HOMEWORK

Homework completion will be monitored. Incomplete homework may subject the student to disciplinary action. Teachers may choose to grade homework; homework consistently done well and turned in on time will improve the student's overall grade average. Likewise, if it is not completed, the student's overall grade will be lower.

Upper School Posting of Homework and Grades (Planners)

Students receive a new planner at the beginning of the school year. Each classroom has a designated homework assignment board where information is posted for students to copy into their planner. Grades, homework, and assignments are given to the student prior to anything being posted on FACTS Family/Renweb. When an assignment or grade appears on FACTS Family/Renweb the student has already been informed. Planners are also used as hall passes for being admitted to class when they are tardy and going to the restroom during class.

Wednesday Homework Policy

In order to encourage Wednesday church attendance, K through 3rd grade will not have homework. Grades 4 through 12 will have light homework.

Lower School Homework

Lower School parents are to daily check and sign homework pads for completion of all assigned work.

A Homework Notice will be issued for the following reasons:

- Not having homework at time of collection
- Turning in incomplete homework

Accumulation of Homework Notices is quarterly and will result in the following:

- 1st – 4th notice to be signed by parent and returned to teacher the next day
- 5th notice – Teacher contacts parent to verify awareness of the situation
- 6th notice – Office visit
- 12th notice – Detention

5th grade policy - After the 6th homework notice in a quarter, any incomplete homework will result in a "0." Work will still need to be completed.

GENERAL ACADEMIC INFORMATION (*Cont'd.*)

Upper School Homework and Class Assignments

In addition to regularly assigned homework, any student that is not mastering the course material with a “C” average or better should engage in additional independent study at home. Homework assignments are designed to reinforce material covered in class or to introduce new material and should be sufficient reinforcement for the average student. Students not completing homework assignments should expect to see learning and grades affected.

MAKE-UP WORK

The student will be given the opportunity to complete missed work. Lower School teachers will arrange for the students to make up any missed tests or quizzes. Upper School students are responsible for making arrangements with the teacher to complete any missed tests or quizzes. Tests and quizzes must be made up before or after school and not during the regularly scheduled class. Make-up work not completed within two days of the student’s return to school, may convert to a zero.

When tests, projects, experiments, or quizzes are announced prior to a student’s absence, the student must be prepared to participate in the activity or take the test on the day of the student’s return to school. Extended student illnesses must be dealt with on an individual basis with the administration. Students have two days to make up tests, quizzes and other work. However, teachers may extend the time as necessary.

When students are leaving early for any reason, ALL previously assigned work due on that day must be turned in prior to leaving whether the student is present for that class or not. Failure to do so could result in a reduction of the grade.

EXTRA CREDIT ASSIGNMENTS

Teachers are not permitted to give individual students extra-credit assignments. Additional graded assignments, however, may be assigned to the entire class.

EXAMS (Upper School)

Middle School Courses

A cumulative test is given at the end of each semester. These tests count the same as a regular test grade.

High School Courses for Credit

A cumulative exam will be given at the end of each semester. This test will cover all material covered that semester and will count 10% of the semester grade.

Exemption

Seniors with an overall average of 85 or greater in a class for the 2nd semester and no more than 8 absences (excused or unexcused) in that class for the 2nd semester are exempt from the final exam in that specific course. Seniors taking an Advanced Placement® exam are exempt from an exam in that class. The exam grade will be the semester average.

PHYSICAL EDUCATION

Students in K-8th grade will participate in physical education. If a student is temporarily, physically unable to participate, parents are to email or furnish a written note to the teacher. This excuse should be dated and state the reason the child cannot participate, as well as the length of time the student will be out of class. ELIGIBILITY

Northwood Academy follows the policies for eligibility as outlined by the South Carolina Independent School Association (SCISA). A full explanation of SCISA athletic guidelines is available on the SCISA website under athletics. Student-athletes will fully comply with all SCISA eligibility requirements, including periodic updates, for team participation.

GAMEDAY (AND PRACTICE) PARTICIPATION

Athletes must be present for at least ½ a day to be eligible for participation in athletic events that day. This includes practice and games. Seniors who leave early each day must be present for at least ½ of their scheduled classes including chapel.

Detentions earned by student-athletes are a priority over athletic events. Athletes may participate in contests on days when detention is scheduled; however, the detention must be served prior to participation.

NATIONAL COLLEGIATE ATHLETIC ASSOCIATION (NCAA)

The NCAA is the governing body of many intercollegiate sports. Student-athletes must register with the NCAA Eligibility Center to be eligible to play NCAA Division I or II sports in college. The NCAA recommends that student-athletes register as early as their sophomore year in high school. There is a fee and the registration to the NCAA Clearinghouse must be completed online. More information is available online at www.eligibilitycenter.org.

NATIONAL ASSOCIATION OF INTERCOLLEGIATE ATHLETICS (NAIA)

ATTENDANCE - GENERAL

Northwood Academy meets for 180 school days. Please refer to the school calendar for specific days that we are in session. If a student is not in school or at a school sanctioned event, they are considered absent.

Extended absences must receive prior approval from the principal.

A student must have an emailed or written, signed, and dated excuse from the parent upon returning to school. This is to be presented to the homeroom teacher (Lower School) and office (Upper School) upon return to school.

A student with 10 or more absences may lose credit for the courses involved.

Excessive or unwarranted absenteeism could result in dismissal.

To be counted present for a school day, a student must attend at least half the school day: 4 hours for the Lower School, three (3) or more periods, including chapel on Thursday, for the Upper School.

If the absence is foreseeable, a note is to be sent to the office in advance. Doctor, dental, music lessons, and other appointments are to be scheduled for non-school hours. All absences will be documented as unapproved until a doctor's note or appropriate parent note is received. **Notes must be submitted within 2 days of the student's return.**

APPROVED ABSENCES AND TARDIES:

- Illness
- Medical and dental appointments
- Those related to legal system issues
- Family emergencies
- Funeral attendance and bereavement
- Official school business
- School-sanctioned activities and sporting events
- Church youth group trips
- Official college visit with documentation
- Administrative discretion will be used to determine if other situations warrant approval

The school board reserves the right to make promotion/retention/course credit decisions for students whose absences exceed 10 days per class. If a student misses more than 10 days in a given class, a parent/administrator conference may be required.

Any student absent from school will not be allowed to participate in a representative capacity in any after-school activity that day unless the absence is accompanied by a doctor's note and approved by the principal. This includes athletic events. Students must be present for at least 1/2 a day to be eligible for participation in any school activity (i.e. prom) that day. Seniors who leave early each day must be present for at least 1/2 of their scheduled classes including chapel.

LEAVING SCHOOL EARLY

If a student is required to leave school early, parents are to email or furnish a written note to the school office stating the departure time, reason, and who is signing the student out of school. Parents who come during school hours to pick up students for medical/dental appointments are to come to the school office. A parent or responsible party must sign the student out of school. Students will be called out of class when the parent arrives in the school office. After 2:30, classes will not be interrupted to call an individual student for pick-up.

Upper School

Driving students may leave for doctor and dentist appointments with a parent note; medical note must accompany the student upon return.

LOWER SCHOOL ATTENDANCE

Tardy to School

A student is considered tardy if not in the classroom at scheduled starting time. All students arriving after the starting time are to report to the office for a tardy slip prior to admission to class. Students who are tardy disrupt the normal class routine and learning process. Students who are repeatedly tardy (more than five [5] days in a quarter) will be brought up for administrative review and follow up.

UPPER SCHOOL ATTENDANCE

Students Leaving for Lunch

Students leaving for lunch must be signed out by a parent in the front office. Upper School students signed out for lunch will not be given credit or allowed to make up work for any class missed by reason of late return from lunch.

Tardy to School/Morning Devotion Period (MDP)

Students are considered tardy to school if they are not in MDP when the tardy bell rings. A student that is tardy to school must sign in with the office and have his or her planner signed to be admitted to class.

Approved tardies to school are those for which a note has been signed by a teacher, parent, or guardian and submitted to the office within 2 days of the tardy. Doctor's notes and school-wide traffic delays are always considered approved tardies.

Unapproved tardies to school are those for which no signed and dated parent note has been submitted to the office within 2 days of being tardy to school. Disciplinary action will follow after the 4th unapproved tardy per quarter. Please see page 16 for approved and unapproved tardies.

Administration determines approved or unapproved tardies using reasonable discretion. Disciplinary action will result from 4 unexcused or 9 approved/unapproved tardies in any school quarter. Students will serve detention for each additional "tardy to school" that quarter.

Tardy to Class

A student is considered tardy to class if he or she is not in the classroom prior to the tardy bell ringing.

Unapproved tardies to class will be issued to students who enter the classroom after the tardy bell has rung and who do not have a signed planner from the administration or other school staff.

Unapproved tardies accumulate over individual quarters.

Consequences of unapproved tardies to school or class:

- | | |
|-------------------|--------------------|
| • First tardy | Warning |
| • Second tardy | Warning |
| • Third tardy | Warning |
| • Fourth tardy | Warning |
| • Fifth or beyond | One hour detention |

DISCIPLINE GENERAL

Standards of Conduct

Students will consent and submit to the spirit and policies of the school and will cheerfully maintain prescribed standards of dress and conduct as described in this student handbook.

Locker/Bookbag Search

The administration and staff reserve the right to search any and all lockers and book bags on school grounds or at school-sponsored activities at any time.

Respect and Courtesy

Northwood students are expected to be courteous and respectful in all situations and in all locations. Disrespect takes many forms, including, but not limited to: sassing a teacher, willful disobedience, willful damage to property, horseplay, and willful damage to another's character including unkind or derogatory remarks/gestures.

When walking through the halls or by classroom windows, students are to be mindful that class is in session and nothing is to be done to distract the teacher or class from their primary focus. Talking in the buildings is to be done in quiet, conversational tones.

Disrespect toward teachers may result in disciplinary action and may lead to dismissal when uncorrected. Students will address all adults as Dr., Mr., Mrs., Miss, or Coach.

School Property

Students have a responsibility to keep the school and campus clean. Littering and defacing of buildings or equipment will result in disciplinary action, restitution of all damages, and could result in dismissal from school. This includes pranks and practical jokes of any kind.

Physical Display of Affection

Wholesome friendships are encouraged between boys and girls, but kissing, holding hands, hugging and other forms of body contact are not permitted during school, or at any school activity or event.

Pregnancy

Married, pregnant, or students with children may not attend Northwood Academy.

Sexuality and Gender Identity

The principles of a Biblically-based lifestyle are believed and explicitly taught at Northwood Academy. Students are to identify with, dress in accordance with, and use the facilities associated with their God-given, biological gender.

DISCIPLINE LOWER SCHOOL

The majority of behavior issues are handled in the classroom by the classroom teacher. As needed, the classroom teacher will involve the parent in seeking support to remedy any problems.

Merit System and Character Traits

At the Lower School, a merit system recognizing positive character traits is established as a mechanism for teaching and encouraging good conduct in the school. The details of this system will be announced in the classroom during the first month of school.

Office Visit

A student continuing to display inappropriate classroom behavior will be sent to the assistant principal for disciplinary action and will receive an Office Visit Notice to be signed by the parent and returned the following school day.

Administrative Time Out (ATO) – (K – 2nd)

Students may be removed from their classroom and sent to the office for a “time out” under the supervision of the principals or administrative staff. On the fifth (5th) ATO, the student will receive an in-school suspension (ISS).

Detention Hall (3rd-5th grades)

Serving time in detention hall is a serious consequence for inappropriate behavior at the Lower School. Multiple detentions will lead to in-school suspension (ISS), then to suspension from school (OSS) and could lead to expulsion. Students in 3rd-5th grade are eligible for service in detention hall.

When a teacher assigns a student to serve a detention, the parent will receive written notification. This detention slip will identify the nature of the violation and the date on which the student is expected to be in detention hall. There is a place for the parent’s signature at the bottom of the form. The student is expected to return the signed detention slip to school the day following issuance of the detention slip. Students are expected to report to detention hall to serve the time assigned.

If there is an extenuating circumstance prohibiting the student’s service, the parent must contact the teacher to arrange alternatives. Detention hall is open from 3:15 to 4:15 on Tuesday and Thursday. If a student does not serve a detention properly, the student will receive a one (1) day In-School Suspension (ISS).

Detention Violations (3rd - 5th Graders)

- Physical contact (suspension or dismissal from school is possible)
- Immoral conduct or use of profane language (one-hour detention for a minor offense; ISS, OSS or dismissal for a major offense)
- Cheating, lying or stealing
- Disrespect toward faculty
- Arguing with faculty
- Destruction/abuse of school or church property
- Continual disruption of class
- 12 homework notices in a quarter

DISCIPLINE LOWER SCHOOL (*Cont'd.*)

Suspension – In School (ISS) & Out of School (OSS)

Suspension will occur for the following reasons:

- Repeated visits to the office
- 5th detention or ATO
- Threatening statements (verbal or non-verbal) to the student, school or school personnel
- Immoral conduct
- Inappropriate material brought to school

The parent will be notified by the principal of the date the ISS or OSS will be served. When a student receives an ISS or OSS, they are not allowed to participate in future class field trips or use extended care as an alternate means of service on field trip days. The student may not stay after school in extended care and must be picked up in the school office at the end of the school day, following ISS service.

GENERAL POLICIES

PATRIOTISM

Patriotism places emphasis upon the greatness of America's heritage and the sacrifices of her heroes. We unashamedly teach the biblical doctrines of self-discipline, respect for those in authority, obedience to law, and love for flag and country. All students begin each day by reciting the Pledge of Allegiance to the American flag. Northwood Academy students will show proper respect for our flag and all that it represents by standing at attention and facing the flag during the Pledge and the playing of the National Anthem at all school events.

CLOSED CAMPUS POLICY

Northwood Academy is a closed campus. All visitors must report to the school office. Students may not leave the school campus during their scheduled school day without a parent's written permission.

Students may not have guests on campus at any time. Parents are always welcome but must obtain a Visitor's Pass through the school office.

Parents needing to drop something off for a student must bring it to the school office.

SECURITY VIDEO MONITORING

All public areas are subject to security video monitoring. Security video monitoring is not monitored in real time on a 24 hour / 7-day basis. The primary use will be to make recordings that can later be reviewed to follow-up on reported incidents or for use by administrators. The secondary use will be to enhance security and oversight, allowing administrators to periodically check on or remotely view a specific area.

AUTHORITY TO RELEASE STUDENTS

A list of parties authorized to pick up a student from school is provided by the custodial parent/guardian during the admissions/enrollment process. At the Lower School, this list determines who can pick up the student from school, from extended care, or from camp. If a person is on a child's pick-up list, it is to be without restrictions or conditions. At the Upper School, this list determines who can sign a student out of school early or can pick up a student from Charger Watch. Changes to the pick-up list are to be made in writing.

Students will be released to non-custodial parents with a court order or with the custodial parent's written permission. In the absence of a court order, the school will assume parents have joint custody.

Any party with the student's car line tag will be assumed to have permission to pick up the student.

PARTIES – LOWER SCHOOL

Seasonal Parties

Class parties are planned to celebrate special times of the year – Thanksgiving, Christmas, Valentine's Day, Easter (if we are not having standardized tests), and the end-of-the-year. Parties are generally held at lunchtime. Guidelines for these parties are given to room moms at the beginning of the year and all parties are coordinated with the classroom teacher so that all selected activities are age-appropriate and follow the required procedures. Anyone wishing to help in any way may contact the appropriate room mother.

Birthday

Students who would like to share a snack with their class on their birthday may bring a treat to school. Please contact the classroom teacher. Treats will be distributed at lunch or afternoon snack. Please check with homeroom teacher regarding allergies.

Party invitations distributed at school must be given to the whole class, all boys, or all girls by the classroom teacher.

SPECIAL EVENTS AND HOLIDAYS

Our emphasis as a Christian school is on the birth and resurrection of Jesus. Therefore, we do not promote Santa Claus, the Easter Bunny, or Halloween at school.

FIELD TRIPS

Lower School

Parents will be notified of each field trip. A special electronic payment and consent form will be required for each trip. Parents may not take school-age siblings on field trips. Occasionally, field trips will have limited adult space available.

Upper School

Parents will be notified of each field trip. A special payment and consent form will be required for each trip.

SOLICITING/FUNDRAISING

Solicitation is not allowed at Northwood without permission from the administration. This includes the selling of items such as tickets and candy, as well as circulating product catalogs or placing posters. Distributing political materials at Northwood is not permitted. All school-sponsored fundraisers, postings, or information emails must have prior approval from the appropriate principal.

TUTORING

The school will assist parents with tutoring options as the need arises. Students are encouraged to visit the appropriate teacher for extra help as needed. Northwood Academy teachers may not be paid to tutor any student in the subject area where they are currently teaching that student. They may, however, tutor students they are not currently teaching. Upper School teachers are generally available in their classrooms Monday, Tuesday, and Thursday from 2:45 pm until 3:20 pm for extra help. On-site tutors, not employed by Northwood Academy, are to be coordinated with and approved by the school administration. Current students may tutor on campus in a supervised area.

UPDATING STUDENT AND PARENT INFORMATION

Parents are to keep the school office informed, in writing, of all current, pertinent information including home address, phone number, emergency contact phone number, place of parents' employment, and work phone numbers. Failure to provide accurate or current information needed for the appropriate care of the student will be grounds for dismissal from school.

FAMILY SEPARATION

Employees of Northwood Academy do not “take sides” and offer affidavits or testimony for or against any parent.

- We will respond to court orders or subpoenas, but we will inform issuing attorneys that we will talk only about school-day activities.
- We will participate in court-ordered safety plans, and work with parents who have reason to believe their child is at risk *if a court hearing/action is pending*.
- We monitor, assess, and address any effects that family stress has on the children in our care, but we will not assign blame or cause.
- We will send emails to all family members marked for “correspondence,” but other, routine matters (take-home papers, etc.) will be sent home by each school’s “normal” method.
- Parents are welcome to sign out their child for visitation, but we do not permit on-campus, or in-classroom visitation.
- If a person is on a child’s pick-up list, it is to be without restrictions or conditions.
- If visitation is court-ordered, we do not know or have the ability to track “every other,” or whatever language is agreed upon. Parents are to provide the school with a copy of the relevant portion(s) of the court’s order, and we ask that the parent assigned primary care, custody, and control, inform the school when the non-custodial parent will be picking up. The most common option is to have both parents on the pick-up list without restrictions.

CONTACTING TEACHERS

Parents are requested to contact the teacher through the school office or by e-mail. Parent conferences may be scheduled anytime at the request of the parent or teacher. Communication with teaching staff is to be through the school’s “official channels,” (E.g., email or school phone). Texting or private messaging is not permitted. The school office or teacher will arrange parent conferences.

PROBLEM RESOLUTION

The following procedure should be used in handling a problem or concern:

- First, call/email the teacher. Giving the teacher an opportunity to respond to your concern first builds a healthy parent/teacher relationship necessary for a successful school year for your child.
- If the problem is not solved, call/email the principal or assistant principal.

HEALTH AND SAFETY

Student Accident or Injury

Accidents or injuries that occur on the school campus are to be reported immediately to a teacher, teacher aide, or the school office. First aid will be given to any student injured at school. Parents will be contacted if the injury warrants. Emergency Medical Service will be contacted if necessary. An Accident/Injury Report will be maintained in the school's office. The principal and/or the Athletic Director (for sports injuries) will be notified.

Insurance

Northwood Assembly, Inc. and Northwood Academy do not carry individual health or medical insurance on enrolled students. The enrolling parent/ guardian is responsible for any and all medical or health related cost that might develop as a result of accidents, injury, sickness or other situations requiring medical care and treatment.

Medical (DHEC) Regulations

South Carolina law requires schools to have a SC certificate of immunization (DHEC 2740) on every enrolled student on file. This record is to be submitted at registration or when updated; a copy is to be given to the school secretary.

Head Lice

Northwood does occasional head checks when warranted. School personnel will be available at the parent's request to do head checks on any student. Students are not permitted to stay in school when head lice or nits are discovered. A repeat head check will be done by school personnel before the student's readmission to class after treatment. All nits (egg casings) are to be removed prior to return to school.

Ringworm and Other Fungal Infections

Ringworm and fungal infections are contagious and require treatment until completely resolved. A bandage must cover ringworm that is not covered by clothing until it is completely clear.

Health and Medication

Sick students are not to come to school. Students who are not feeling well enough to stay in school will go to the office. The parent will be called; pick-up arrangements are expected to be made within an hour of notification.

Students will recover at home *for a minimum of 48 hours after resolution* of the following:

- fever > 100 without fever-reducing medications
- chills and/or headache and or/sore throat
- undiagnosed rash
- pinkeye
- **new or worsening** runny nose /congestion / cough / fatigue / irritability / gastrointestinal symptoms / muscle/body aches

Students are not to carry medication.

All medicines are to be brought to the school office by the parent in its original container and appropriately labeled. Medications will be administered consistent with its labeling.

The school reserves the right to refuse to administer any medication; the parent will be notified.

Acetaminophen (Tylenol) for minor aches and pains is administered during school hours with written parental consent. This consent form is provided in the student application.

TECHNOLOGY

TELEPHONE MESSAGES AND SCHOOL PHONE USAGE

In the case of an emergency, office personnel will assist the student in the necessary use of office phones. However, students will not be permitted to call parents to obtain forgotten schoolwork or supplies.

Messages that are taken in the office for the student will be delivered to them just before dismissal time. Students will be called to the office to receive messages only when it is an extreme emergency.

CHROMEBOOK POLICY

Issue and Identification – Upper School

Each Upper School student will be issued an 11” Chromebook. While the devices are issued to students, they are still school-owned property. Students will be allowed to take the Chromebooks home. Chromebooks will be an integral part of the education students receive at Northwood Academy and therefore they are not optional. It is our goal that students take advantage of this powerful learning resource available to them.

Chromebooks may not be used in the cafeteria before school or at lunch. However, they may be used in the media center during these times. Chromebooks may be used in the cafeteria after school.

Each Chromebook will be tagged with a numbered sticker and a school asset tag. Each device also has a unique serial number. The school will have a record of all data if a Chromebook is misplaced; it can be determined which student user the device belongs to. Carrying cases with an ID tag will also be issued for each Chromebook.

All ID stickers and tags that are on the Chromebook and case when issued must stay on the Chromebook and carrying case at all times. The ID tags on the cases must stay on the exterior of the bag at all times.

No additional permanent markings of any kind (stickers, engraving, permanent ink pen, tape, etc.) shall be placed on the Chromebook or its carrying case at any time. Additional permanent markings on the device or its case will be considered vandalism.

Students may add non-permanent identifying items to the case such as ribbons, key chains, or other removable items.

Chromebooks will be turned in at the end of each school year. They will be re-issued to the same students at the start of the next school year.

Student-owned Chromebooks may be used but must be enrolled and managed under Northwood Academy’s Google for Education account. Northwood Academy is not responsible for damage, loss, theft, connection or IT issues of personally owned Chromebooks.

Students are expected to charge their Chromebooks nightly at home and bring them to school fully charged. Students who do not bring a charged Chromebook back to school may be issued a rental device for the day if one is available. Be aware that rentals may not be available and students may be without a Chromebook for the day, which may affect their grade for that day.

A rental fee is assessed, per student checkout, except when a student’s Chromebook is turned in for repair, according to a schedule approved and published each school year.

Students are responsible for bringing their Chromebooks to all classes, every day, unless specifically advised not to do so by their classroom teacher. In addition to teaching, Chromebooks may be used for school messages, announcements, calendars and schedules.

Chromebook Use and Care by Students

Students will each have a Gmail account that will be used for their primary login username. Passwords will be issued by the school and may not be changed. It is the student's responsibility to remember their login information and to keep it confidential.

Students will keep their Chromebooks clean. The screen may be cleaned with a soft, dry microfiber cloth or anti-static cloth. All other parts of the Chromebook (including the keyboard) can be cleaned with a disinfectant wipe. *Never* clean your Chromebook with water.

Students must never set heavy items on their Chromebook as this may damage the screen or other parts.

Chromebooks should never be transported while open as even gentle handling can damage the screen. They should always be safely closed and placed in their case before they are taken from classroom to classroom, or to and from school.

Chromebooks should never be left in a car or any unsupervised area.

CHROMEBOOKS MUST NEVER BE CARRIED IN THE STUDENT'S BACKPACKS.

Chromebooks will only connect to the web wirelessly. If the school's Wi-Fi network is down, the device will not connect to the web. Some features, such as access to the student's Google Drive, may still work on a limited basis. Work that is done offline will be backed up when the wireless Internet connection is restored.

While we do our best to filter Internet content, no filtering system is 100% foolproof. Teachers and parents are encouraged to randomly check the browsing history of student Chromebooks on a regular basis. Browsing histories cannot be deleted by the students. The school will also conduct random checks of student browsing histories. If inappropriate web browsing is discovered, it is a violation of the school Technology Use Policy and may result in disciplinary action.

Damage or Loss of Chromebook

Students and parents are responsible for school-owned technology property (Chromebook) that is issued to them, just as they are for other school-owned items such as textbooks, athletics equipment or library books. The school will repair damaged devices under the Chromebook Policy, but students and parents will be responsible for the cost of those repairs as outlined below. Loss or theft of a Chromebook is never covered under the Chromebook Policy, and the full cost of replacement will always be the responsibility of the student/parents.

If a Chromebook does get damaged it should immediately be taken to the library where the damage can be assessed and a loaner can be issued if necessary. In-house repairs can often be done, which may take only a day or two. Other problems may require that the device be sent out for repair. This can take several days or longer.

Students using loaner Chromebooks will be fully responsible for any damages incurred while in their possession.

Chromebooks are not to be taken to an outside computer service center for repairs or maintenance and are not to be repaired by the student or parents.

Chromebook Repair or Replacement

Chromebook repair fees are assessed according to a schedule approved and published each school year based on current replacement value. Repair (or replacement) fees apply to school resources damaged or lost due to misuse, neglect or intent, as determined by administrative discretion.

Misuse and Abuse of Technology Resources

Students who violate Northwood Chromebook policy are subject to disciplinary action including but not limited to the following:

1. Removal of services like Gmail, Google Drive, or other Google Apps.
2. Detention / Suspension / Expulsion

Electronic mail and all stored files are not to be considered confidential and may be monitored at any time by designated school staff to ensure appropriate use.

CHROMEBOOK AGREEMENT

All Upper School students and their parents agree to the following:

I have read, understand and agree to abide by the terms of this Chromebook Policy. Should I commit any violation or in any way misuse my Chromebook, I understand and agree that my access privilege may be revoked and School disciplinary action may be taken against me. I understand that I am to treat this Chromebook with extreme care just like any other school owned piece of equipment. I will not alter it, make changes to it, or use it in a manner that does not align with Northwood Academy's Chromebook Policy.

Parent or Guardian Agreement

As the parent or legal guardian of the above student, I have read, understand and agree that my child or ward shall comply with the terms of Northwood Academy's Chromebook Policy. I understand that Chromebooks are a privilege that may be revoked if misused. I understand that if the Chromebook is damaged, lost, or stolen I will be responsible to reimburse the school for the cost of the repair or replacement in accordance with the Chromebook repair policy. I agree to indemnify and hold harmless the School against all claims, damages, losses and costs, of whatever kind that may result from my child's or ward's use of his or her Chromebook or violation of the foregoing Policy. Further, I accept full responsibility for supervision of my child's or ward's use of his or her Chromebook if and when such access is not in the School setting. I hereby give permission for my child or ward to use a Chromebook authorized by Northwood Academy and agree to the above terms and Policy.

HANDBOOK AGREEMENT

All parents and all 6th – 12th grade Upper School students must sign the following handbook agreement as part of the enrollment process.

PARENTS OF STUDENTS IN GRADES 6 – 12:

I hereby affirm that I have read the Northwood Academy K-12 Student Handbook and discussed its policies with my student. I certify that I consent to and will submit to all governing policies of the school, including all applicable policies in the Student Handbook.

I understand that the services of the school are engaged by mutual consent, and that either the school or I reserve the right to terminate any or all services at any time. I understand that this Handbook does not contractually bind Northwood Academy and is subject to change without notice by decision of Northwood Academy's School Board. Admission to the school is a privilege, not a right, and admission for one school year does not guarantee automatic admission for future school years.
